

# World Rail Market Study (6<sup>th</sup> edition) forecast 2016 to 2021

A study commissioned by UNIFE – The European Rail Industry,  
conducted by Roland Berger Strategy Consultants and  
published by Eurailpress.

Based on a survey conducted in the 60 largest rail markets worldwide, the UNIFE World Rail Market Study provides market volumes and growth predictions from 2016 to 2021. Based on the testimony of UNIFE members and rail experts from all around the globe, the WRMS gives an account of short-term and long-term growth for all rail product segments and regions.

Strategic conclusions are elaborated for each product segment and region based on the order intake of UNIFE members, a sophisticated forecasting model and the expertise of selected high-level decision-makers in the most important rail markets in the world political and economic scenarios.
